

Reasonable Accommodation Request

Date: _____

To: _____

Pursuant to the Federal Fair Housing Amendments Act of 1988 (FHA), I am submitting a request for a Reasonable Accommodation due to disability. Please note that in accordance with the Fair Housing Act, *"...discrimination shall include a refusal to make reasonable accommodations in rules, policies, practices, or services when such accommodations may be necessary to afford the handicapped person the equal opportunity to use and enjoy a dwelling."*

I suffer from a physical and/or mental impairment which substantially effects one or more daily life activity, and therefore, I qualify as an individual with a disability, as defined by the FHA.

Because of this disability, I have been designated by the Centers for Disease Control and Prevention as a person who needs extra precautions and is at higher risk for severe illness and death if I were to contract the COVID-19 virus. Therefore, due to my disability it is necessary that I self-isolate and shelter-at-home.

Therefore, as a reasonable accommodation I request that a recession or stay of the eviction notice dated _____, and that any Restitution of Premises action be dismissed or stayed during the COVID-19 pandemic and the necessity to isolate/shelter-at-home subsidies.

Without this reasonable accommodation, I would be unable to self-isolate, and my life would be placed at risk. Please respond, without delay, to this request and clarify what, if any, additional information is needed to understand my disability related need for this accommodation.

Sincerely,
